I received a call from [redacted] DC/OIS, regarding the Walker Case (DDA 85-2143 attached). [redacted] said that he had been in touch with the Office of Security and there is no damage assessment. The CI Staff has indicated there is no way of determining if any CI was involved (very interesting) so we will never know.

10-5

SUBJECT: Damage Assessment on the Walker Spy Case (S)

I would appreciate a preliminary assessment on the damage to National Security which derived from the Walker spy case. The assessment will be for the use of the President. The report should be a coordinated, preliminary evaluation presenting our best estimate of the harm which has been done to our security while recognizing that a full, detailed analysis is probably not possible at this early date. I would like to receive the assessment by June 22. (S)
